

# Your Cylinder Source<sup>®</sup>

## CAPABILITES STATEMENT:

Yates Industries, Inc.  
DBA Yates Cylinders  
23050 Industrial Drive E.  
St. Clair Shores, MI 48080

CAGE CODE: 1QM81

DUNS#: 059905315

JCP CERT#: 54899

### Complete Profile:

Yates Industries, Inc. is a complete hydraulic & pneumatic cylinder manufacturing and repair company. Yates is a family-owned small business that was founded in 1972 in St. Clair Shores, Michigan. It has added two locations, since 2007, one in Alabama and one in Georgia. Yates now has over 250,000 sq. ft. of manufacturing floor space with over 140 employees. We offer full lines of Tie Rod, Welded Body, and Mill Duty cylinders. With complete engineering and manufacturing, at each location, we also supply custom cylinders and accumulators.

William H. Yates III has been the President and visionary of Yates Cylinders since 1997. Yates has expanded and diversified to become a leading cylinder manufacturing and repair facility in the United States.

### Capabilities:

- Hydraulic & Pneumatic Cylinder Design & Manufacture
- Reverse Engineering
- CNC Turning Centers & CNC Mills
- 24/7 Emergency Cylinder Repair
- Cylinder Bores up to 50 inches
- Cylinder Strokes up to 30 feet
- ISO 9001:2015 Certified
